

This map illustrates the geographical layout of State Senate District 33 and its neighboring regions in Southern California. The district is defined by a thick black boundary and is color-coded in blue. It encompasses several major urban centers, including Los Angeles, Vernon, Huntington Park, Bell, and South Gate. The map also shows the surrounding areas, including the Pacific Ocean, San Pedro Bay, and various waterways. The map is divided into several colored regions, each representing a different State Senate District (SLDU). The districts shown include SLDU 24 (orange), SLDU 22 (green), SLDU 30 (purple), SLDU 32 (yellow), SLDU 35 (pink), SLDU 26 (light blue), SLDU 34 (light green), SLDU 29 (light orange), and SLDU 37 (light purple). The map also shows the Pacific Ocean, San Pedro Bay, and various waterways. The map is labeled with the names of the cities and districts, and the text "LOS ANGELES 037 CALIFORNIA 06" is visible at the bottom.

Where international, state, county, and/or MCD boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

1 MCD boundaries are shown in the following states in which some or all MCDs function as general government: Connecticut, Illinois, Indiana, Kansas, Maine, Massachusetts, Michigan, Minnesota, Missouri, Nebraska, New Hampshire, New Jersey, New York, North Dakota, Ohio, Pennsylvania, Rhode Island, South Dakota, Vermont, and Wisconsin. (Note that Illinois and Nebraska have some counties covered by nongovernmental precincts and Missouri has most counties covered by nongovernmental townships.)
